MIDDLEVILLE'S JULY FOURTH CELEBRATION NEEDS YOUR HELP!!

So many times you hear the remark made, "If someone would have asked me to work, I would have been glad to help."

Unfortunately, we don't know everyone in the community as to the time and talents they have to offer; therefore, we are asking you to give us a call and volunteer one or two hours of your time on the Fourth.

We have a lot of great ideas but need volunteers to work them. Call Tom Wheeler, 795-7165 now.

KIDS! GET YOUR PET READY FOR THE PARADE!

This year's Fourth of July Celebration in Middleville will include a pet parade. All children through age 16 are invited to enter their pets in this afternoon event at 3:00 p.m. Awards in several categories will be given during the competition.

All pets must be under control.

You and your pet may also participate in the morning parade. For registration please call Carolyn Steensma, 795-7687 or Kathy Kermeen, 795-3752.

PLAN SOCCER FLOAT

The Middleville Youth Soccer Organization is planning a float for the Fourth of July parade. All Division C players are invited to work on the float. If you are interested, call your coach.

All soccer players are invited to march in the 4th of July parade. Wear your soccer shirts!

BWC Acquires Tennessee Heater Co.

Bradford-White Corporation, a major national water heater manufacturer with headquarters in Philadelphia, Pennsylvania, has acquired the W. L. Jackson Manufacturing Company of Chattanooga, Tennessee as of June 22, 1981. The company's primary manufacturing facility is located in Middleville, with seven regional assembly and service centers located throughout North America.

The W. L. Jackson company is a manufacturer of water heaters and pneumatic tanks. The acquisition will give Bradford-White its first major manufacturing facility in the growing markets of the south. Jackson will continue to operate as a wholly-owned subsidiary of Bradford-White.

THE MIDDLEVILLE JAYCEES are working diligently these days preparing the Village's newest park on the Thornapple River. Located off Spring St., the Jaycees are clearing the brush from the land and removing the debris. To help finance the project, the Jaycees are raffling off the picnic table shown above. Tickets for $1.00 are available from any member of the group. Shown above, from left, are members Jack Cramer, Gail Williams (park project chairman and secretary), Jay Robertson and Steve Gulch (chapter president).

To Petition TK Board for Another Vote

Petitions are being circulated in the TK School District urging the Board of Education to place a millage issue before the voters later this summer.

On June 8 the voters in the district renewed a 2 mill operational issue by a two to one margin, but defeated two other issues by a similar spread. Proponents of the petition drive are asking the board to put a 1¾ mill issue on the ballot that would restore a long list of announced cuts in the school program this fall.

Listed on the petition are the following programs that would be restored if the 1¾ mill was approved by the voters:

Half time psychologist, four physical education teachers, one music teacher, two elementary teachers, one high school science teacher, one high school English teacher, counseling services, library services, intramural supervision, student council, parking lot supervision, four noon hour aides, student assemblies, Christmas Fund drive, middle school picnics, field trips, teachers' comp. time, one high school business teacher.

Persons wishing to support the petition drive can receive further information by contacting Pam Strater (795-7222), Connie Duyser (795-9258) or Gary Van Elst (795-7227).

Bozo delighted the children of all ages!

What a Party!

It was a fun-filled affair – and informative – for the over 1600 people who attended Bradford-White's 100th Birthday party at the Middleville plant on Saturday. The company "pulled out all the stops" to make it a gala event. Bozo the Clown was on hand to greet the visitors, and balloons were passed out to all the children. A steam calliope filled the parking lot with music, and refreshments greeted the folks after they toured the plant. The Bradford part of the company was founded 100 years ago in Pennsylvania.

A lineup of heaters greeted the BWC Party visitors

Touring the plant was interesting and informative

Cindy and Doug

MADSEN – HEFFNER

Dr. and Mrs. Paul Madsen, Fresno, California, announce the engagement and forthcoming marriage of their daughter Cynthia Joy, to Douglas Richard Heffner of Fresno. Doug is the son of Mr. and Mrs. Richard Heffner, Noffke Drive, Caledonia. The wedding will be held July 11 in Fresno.

Both Doug and Cindy attended Hope College. He is currently employed by Standard of Portland Insurance and Investment firm in Fresno.

Washington Pastor to Speak at Middleville First Baptist Church

First Baptist Church of Middleville will hear Pastor Lyall Shepard of Othello, Washington at the 11 a.m. and 6 p.m. services this Sunday, June 28. Pastor Shepard was formerly minister at Grandville Baptist Church and at Lincoln Ave. Baptist Church in Ionia. He has been in Washington for the past 5½ years.

Pastor and Mrs. Wesley Smith have been at Winona Lake, Indiana, this past week attending the annual conference of Regular Baptist Churches.

Lions Club to Again Sponsor Film Series

The Middleville Lions Club will again sponsor a series of Travel and Adventure films, beginning Monday, September 21, with "Byways of France" by Bob Ditta. Each film is narrated in person and lasts about one hour and forty-five minutes. All are on Mondays at 8:00 p.m. in the TK High School auditorium. Other films in the series this year will be:

October 26: "Taiwan" with Ed Lark

November 16: "Image of Italy" with James Forshee

January 18: "Mysterious Mayalands" (Yucatan and Guatemala) with Romain Wilhelmson

February 15: "The Colorado Caper" with Howard and Barbara Pollard

March 15: "Arctic Adventure" with Keith McColl

Reserved seat season tickets may be purchased from any Lions Club member at a cost of $12.00 for an adult and $8.00 for a student. General admission tickets will also be available at the door each night. Last year's season ticket holders may still renew their seats or request different seats by sending a check made out to the Middleville Lions Club to Chuck Baughman, 2069 Fawn Avenue, Middleville, 49333.

However, beginning with sales on July 4th, reserved seats will be sold on a first-come, first served basis. New season tickets may be ordered in the same way. For more information call Chuck at 795-7373.

ILA ROGERS

To Honor Mom on Her 75th Birthday

The children of Ila Rogers of 108th Street, Caledonia, are honoring her with an Open House for her 75th birthday on July 5th from 2 until 6 p.m. at the Caledonia Sportsmens Club. The club is located at 10721 Coldwater, S.E., in Caledonia. The family requests that your only gift be that of your presence.

Weight Watchers, the most respected weight reduction organization in the nation, have brought their services to Middleville. Meetings are being held at 7:00 p.m. Thursday nights at the Village Community Hall, 314 East Main Street. Weigh-in (private) and registration is between 6:30 and 7:00, lecture is at 7. Men, women and children are welcome.

Scots Name Leatherman Grid Coach

The Fighting Scots reached into their own ranks for a man to head the destiny of Caledonia football. From several strong candidates, the selection committee chose Brian "Buzz" Leatherman, age 37, a former Caledonia player and graduate, to be the head Varsity Football coach.

Leatherman, a 1962 graduate, was an excellent high school player, earning recognition on an undefeated championship team. He attended New Mexico Highlands University on a football scholarship before being injured and returning to Michigan to graduate from Grand Valley State College.

Leatherman will strive for a balanced running and passing attack with emphasis on fundamentals. He stated, "basics are essential to a successful program" and Caledonia is looking forward to a rewarding 1981 season. A season that will square the Scots off against not only the OK Blue, but also Wayland and Wyoming Rogers from the White Division in non-league contests.

Leatherman has a background of 12 years in coaching from which to draw the necessary information to formulate his program. He has served as varsity assistant in football the past seven seasons at Caledonia. He has also coached baseball.

Mr. Leatherman resides in Hastings with his wife and children.

Barry Historical Society Has Full Meeting

Presentation of the Barry County Historical Society's Distinguished Service Award to Mrs. Amy Bower highlighted the annual June meeting of the society held at Charlton Park.

Elected to office for the next society year, beginning in September, were Richard N. Loughrin, president; Jeanette Norquist, vice president; Mrs. Wayne Offley, secretary; Ernie Appelman, treasurer; Amy Bower, archivist; Charlotte Heath, assistant to the archivist; Adelbert Heath, Joyce F. Weinbrecht and Eileen Oehler, directors for a three-year term.

Following the surprises of the potluck picnic supper near the Bristol Inn, the society heard committee reports for the ending year. The program committee, chaired by Gertrude Matthews, was given commendation for the variety and excellence of programs held at meetings throughout the county. The membership committee report was delayed so attainment of the goal of 100 members is not known at this time. B. W. Bellinger reported for the publicity committee and thanked the local papers for their cooperation in publishing the activities of the society.

Frank Walsh of the McKeown Road Bridge committee reported that the bridge remains extant. Amy Bower stated that the Historical Markers committee has four metal markers in process for Nashville's Putnam Library, Woodland Township Hall, Irving Township Cemetery and Carlton Township Hall. Suggestions for the Parish House and the Presbyterian Church as historic sites were received.

Richard Shuster of the oral history committee reported that the committee has obtained from Howard Frost an eye-witness narrative recording of the first airplane flight over Hastings. Chairman Clara Stanton of the Township Cemetery records committee informed the society that records of five townships were complete; volunteers for four additional townships compilations offered their assistance.

Diana Hard's Folk Arts committee reported that the Charlton Park Museum contains sufficient examples of native Barry County folk art to be arranged as an exhibit at a meeting next year. The society voted unanimously to accept the china plate committee's recommendation to purchase 500 china plates to be sold in a fund raising project. The plates will be a limited edition of 200 large eight-inch plates and 300 small five-inch plates, each decorated with an illustration of the county courthouse as it appeared in 1906. Agnes Smith, chairman, reported that editions of other illustrations of county history will be ordered after the expected successful sale of the current plates.

Ed McPharlin, By-Law Revision committee, reported that the revisions proposed by the committee had been adopted by the society. The Ephemeral Publication Preservation committee, Agnes McPharlin reporting requested authority to purchase another scrapbook since the present one has been completely filled.

Brian Shumway's newly formed Genealogy Committee for family histories, circulated a questionnaire to obtain a listing of family surnames to be researched with the assistance of the committee. A program next year will be devoted to giving information on sources and methods of tracing family histories.

The Striker House Study Committee, chaired by Esther Walton, informed the society that the work of the committee has been completed. The society's money contribution to the study project is in the process of being reimbursed to the society. Copies of the printed report of the study, done by William Kessler and Associates, architects, were circulated to the members. The report states specifically what should be done to restore and renovate the Striker House for preservation. A copy of the report was given to the Hastings Library and a copy will remain in the probate court office this summer for interested members of the public to examine.

The Striker House committee thanked the persons who donated their services in the preparation of the report: Alan White, Chester Stowell, Tom Leonard, Barbara Furrow, Lawrence Dale, Mike Payne, Cathy and Doug McLeod, Mary Anne Karmes and Sylvia Dulaney. The report contains illustrations and measured drawings of "The Handsomest House in Hastings." It does not, however, reveal the location of a surreptitious passageway which exists according to Hastings legend.

Mrs. Propser Bernard and Clare and Nellie Richards of the Bernard Historical Society and museum at Delton were welcomed by the society as guests.

The program was given by members who exhibited antique artifacts ans asked that each be identified as to its use. Objects identified included a flax hackle, which was promptly donated to Charlton Park Museum; a sliver fork used 100 years ago to extract a delicacy of that time from its repository (roasted squirrel's brains), a wooden press to squeeze cracklings, a french bean slicer, a cup with a spout used to feed soup to ill persons, a ceramic cigar and match holder and ashtray, a riding crop carved from a black hawthorne stick. Several artifacts, too difficult to describe, stumped the antique experts. A collection of poems, "Farm Legends," dated 1875, by Will Carleton, noted author of "Over the Hill to the Poor House," was exhibited as well as several 100 year old photos of the Hastings City band and fire department.

Caledonia Library Extends Thanks to Helpful Community

Thanks go to everyone who helped the Caledonia Community Branch Library move to its new location. Special thanks go to the members of the Caledonia Jaycees who helped transfer the boxes of books and the use of their trucks. It is not possible to name everyone who helped, but their assistance is greatly appreciated.

We would also like to thank publicly the Caledonia Township and Village boards for their cooperation and help in obtaining, remodeling and furnishing of the building. They have been helpful and willing to provide a more than adequate facility that Caledonia can be proud of.

Work on the building will continue during the summer, and a grand opening is planned for the fall. Meanwhile, the library is open its regular hours at 240 Emmons Street.

A book sale will be held at the library basement during the July 4th Celebration. Hours will be from 11 a.m. until 2 p.m. Story hour begins on July 2.

Several gifts have been received by the Library Board. In memory of Owen and Hattie Stauffer, their families have presented the library with a beautiful oil painting to coordinate with the interior; the Raab family has purchased an old fashioned school clock for our use; the family of Marie Swart gave money to buy 45 books, especially for young children, in her memory; money has been received as memorials for Mr. Everett Barnaby and Mrs. Myrtle Schiefla; Mr. and Mrs. Peter Siler have donated three hanging plants to beautify the building, as has Mr. and Mrs. Paul Humphrey with two floor plants.

There are several other things that the Library Board would like to acquire: a lamp table, puppet theater, typewriter, one or two other plants are among the items. A list is available at the checkout desk in the library.

The week of June 29, volunteers are needed to help arrange books for the sale. Anyone interested in helping may call the librarian.

Again, thanks to everyone. The Library Board appreciated all the encouragement and support this community has given to the Caledonia Community Branch Library.

Mrs. Barbara Waite, Secretary
Caledonia Community Branch Library

CELESTA DUTCHER

Son John entered the hospital last Monday, as his blood count was low. He was very tired and needed to rest often. Jo took him to the doctor and he put him in the hospital.

My brother-in-law, George Houghton, is in Midland Hospital and was scheduled for surgery last Tuesday. He is well known to the area. If you wish to send him a get-well card, his address is Room 117, Midland Hospital, Floor E, Midland, MI 48640. They recently moved to Midland to be near their daughter, Elaine Onan and her family.

Shari Dutcher and Sarah Sheehan went to Cedar Point last Monday. A busy day but enjoyable.

I was taken by my son-in-law to the breakfast at Parmalee Church basement Wednesday. Saw many friends there. It seemed to be a success.

Pam visited me Wednesday evening and brought me a quart of strawberries. charlie had talked with his father and John still had the hiccups which had bothered him all day. They finally got them stopped.

The John Jousma family is home after a two week vacation at the Dutcher cottage at Gun Lake. Donald and Dorothy will shortly move out there for the summer.

Mark Sheehan spent some time with his father on Fathers Day. Did you see Marc's poetry in the Sunday press?

John Jr. and Diane Called on me Saturday evening.

Mr. and Mrs. Wm. Reed were Saturday evening dinner guests of the Sheehans.

Bertha Sheehan spent the week end with Elvis and Mike. Elvis' hand is healing well.

Walbridge Academy is a Unique School

Walbridge Academy is an alternative educational facility located at 1024 Ionia, N.W., Grand Rapids, and Rus Harmelink has served on the Walbridge staff for 13 years. He, his wife Kathy and two sons live at 8579 Kelzer Road, Alto.

On June 8, Harmelink was elected to the Caledonia Board of Education. The following is an interview with Harmelink done earlier this spring by Wilma Tiemeyer.

Russ Harmelink, Walbridge Principal

T. Rus, what distinguishes Walbridge Academy from other schools?

H. It is unique in that it offers an alternative or option to the traditional high school.

T. Why do we have to have alternative education?

H. Because traditional schools meet the needs of two thirds of the kids. We must meet the needs of the other third.

T. How large is Walbridge?

H. We have 13 teachers and two counselors; six teacher aides, one school secretary and a custodian and myself. I am the principal and this is my 13th year at Walbridge. Our maximum capacity is 250 students. Walbridge Academy has earned the educational housekeeping seal of approval. In other words, Walbridge is a member of the North Central Association of Colleges and Schools.

T. How do you classify the students of Walbridge Academy?

H. Basically they are from families without a lot of money. Sixty-five percent are white kids; 30% are black; 5% are Spanish or Native American. Forty-five percent of the kids at Walbridge are female.

T. What age are they?

H. Twelve to nineteen.

T. Have these students had difficulties in other schools?

H. Yes. And we get a small amount of funding because we are willing to work with the juvenile court. At any given time we may have 30 who are on probation from the juvenile court. We have kids from foster homes and Child Haven. Also some of our students are truants, and they refuse to attend another school. Some have been in trouble with the law, and they have been directed to come to Walbridge by their probation officer. But let me explain. Walbridge has a maximum capacity of 250. From 400 to 450 students attend in one year, so you can see there is a lot of moving. It is a continuous intake and out-go. We are able to meet the needs of most of the kids. But not all. Some move on.

T. Where do these students come from?

H. They come from every junior high and high school district in Grand Rapids. Occasionally we have students from the outlying areas. This year we have two. We have had as high as ten. They come here by choice. We have open enrollment with the parents consent. We have some referrals. And we have a voluntary waiting list. We do not enroll a student unless a parent or guardian has come in for an orientation session.

T. Do you use the traditional method of teaching?

H. Ninety-five percent of our curriculum is individualized study programs where they study at their own pace. We have an inhouse incentive system for doing school work. They earn points to get time in the recreation room, or to buy into school events.

T. What about discipline.

H. The entire staff is responsible for administering discipline. If a student misbehaves, he is told about it and is brought to time-out or 7th hour, however you would refer to it. If the student causes serious problems he is given what we call a first warning. Fighting will usually produce a ten day suspension. But if a student earns a second suspension, he cannot stay at Walbridge. He will have to go to another school. A student may be given a day out if he is suspected of being involved with drugs. Being involved means being in an area where the smell of grass is present.

T. What are your goals?

H. Our goals are the same as other schools. We want them to graduate with good basic skills, and set a good record with social behavior and pattern of attendance. They need to be dependable. A few go on to college, but that is not our primary goal.

T. Is Walbridge successful in meeting these goals?

H. Yes. The biggest indicator is that each September we have a big influx. Right now there is a large waiting list.

T. With many teachers leaving the profession, what continues to hold you at Walbridge?

H. I like working with these kids. I see more progress. We have smaller groups. It is more intimate. I know the kids by name. We're autonomous, making many of our own decisions. The traditional hasn't always worked, and we have license to try new things. Satisfaction is seeing these kids really do well.

T. What are your long range goals?

H. To stay at Walbridge until I can't work any more. I'm content where I am. Oh – sometimes the grass looks greener on the other side of the fence, but I'd rather be at Walbridge.

LEIGHTON FARM BUREAU

The Leighton Farm Bureau group met with Mr. and Mrs. Art Thede June 18 with 10 present. The package reporter noted we have a grain sales order from Taiwan of 1,700,000 bushels of wheat.

That: there is great danger of poison gas in swine and cattle disposal systems

That Michigan has 2300 acres of strawberries this year;

That life insurance costs more the older you are;

That the workers taxes take 40% of his wages

That there is a difference between hamburger and ground beef. Hamburger allows up to 30% fat, etc, ground beef up to 20%.

We should write our congressmen to okay President Reagan's 1982 budget.

The discussion topic on "Animal Rights" shows that many people are not familiar with farmer practices with their chickens, swine and cattle. But farmers do care for their animals. Some vegetarian may suggest not eating meat, but if the animal kingdom would go out on the loose it would bring disaster. Example, deer causing car accidents and eating growing crops.

Whereas: promotions and salary increases should be tied to job performance not with the number of underlings. Discipline and removal procedures should be simplified.

A "tax" to be levied on the budgets of agencies that create paperwork for the private sector. If an agency's appropriations were liable to be reduced every time it introduced another form, there would be less unnecessary paperwork.

Art Thede, reporter.

TKHS Classes of 1935,'36,'37 Reunite at Villa

The Thornapple Kellogg High School class reunion including the classes of 1935, 36 and 37 was held Saturday evening, June 13, at the Middlevilla Inn with 70 attending. The invocation was given by Ellis Cross before the banquet. The toastmaster for the evening was Fred Hauser, Hastings veterinarian.

The honored guest speakers included past coaches and teachers: Irving Holforth, from Owosso; Bill Carmichael from Mishawaka Indiana and Dave Smythe from Sunfield. It was a night for remembering past events, former teachers, students and athletes, landmarks, and the famous Middleville Street Car Restaurant owned by Mrs. Letha Reynolds.

Mrs. Reynolds was an honored guest and graciously shared her famous Street Car Relish and Hamburger recipe. The recipe:

STREET CAR RELISH

Chop fine: 1 stalk celery hearts (do not use pascal) and 2 medium size onions.
Add:
½ teaspoon salt
¼ teaspoon pepper
1 heaping tablespoon sugar
2 tablespoons prepared mustard
1 14-oz bottle of catsup

(The relish is not cooked)

Cook hamburger loose (not in patties). Serve hamburger topped with the relish on hamburger buns. (The Street Car Hamburgers in the 1930's sold for 5¢ for the small size and 10¢ for the large ones)

Other guests included Mike and Edna Bender from Holland, Margaret Smyth and Pat Carmichael, a former teacher.

Memorial for the deceased was given by Ellis Cross.

Mr. and Mrs. Charles Holes traveled the farthest to attend. They live at 1001 Garden Drive, Lynden, Wash. 98264.

Music for dancing was supplied by David McIntyre from Hastings radio station WBCH. Intermission entertainment was provided by Faye Freeman and her guitar with country western music and comedy.

Ward Freeman, secretary-treasurer, read messages received from Myron E. Smith, former teacher and track coach, Ivan Lyons, Don White, Pauline Benaway, Robert Rugg, Walt Griffeth and Wendel Carter.

Other committee members who worked hard to make the reunion a success include:

Class of 1937: Dorothy Johnson Ball, Ellis Cross, Bertha Mugridge Thurkettle, Myrl Schantz, Robert and Betty Frost, Lloyd Finkbeiner.

Class of 1936: Betty Potts Robertson, Ward Freeman, Simon Michaele, Kenneth Cline, Fred Hauser.

Class of 1935: Genevra Randall Schantz, Clare Mugridge, Edna Schantz Wood.

William B. Kirby Jr.

Airman William B. Kirby Jr., son of William B. Kirby Sr. of Clio, Michigan, and Helen R. Popma of Middleville, has completed Air Force basic training at Lackland AFB, Texas.

The airman, who is remaining at Lackland for specialized training in the security police field, studied the Air Force mission, organization and customs and received special instruction in human relations.

Completion of this training earned Kirby credits toward an associate degree in applied science through the Community College of the Air Force.

Graduates from A.F. Course

S/Sgt Jeffrey P. Pols, son of Mr. and Mrs. Willem Pols of Hudsonville, has graduated from the US Air Force avionics systems equipment course at Lowry AFB, Colorado. He will now serve at MacDill AFB, Florida, with the 56th Component Repair Squadron.

His wife Karen, is the daughter of Henry Dykstra Jr. 10695 Finkbeiner Road, Middleville.

Former Chief Fined, Jailed For 2 Weeks

The former chief of police in Middleville has been sentenced to two weeks in jail and ordered to pay $7,533 in restitution, fines and court costs after pleading no contest to fraud charges levied by Attorney General Frank J. Kelley and State Treasuere Loren E. Monroe.

Clifford Norton, chief of the Middleville Police Department for about seven years before resigning in March, 1980, was sentenced June 12 by Barry Circuit Judge Richard E. Robinson.

Judge Robinson sentenced Mr. Norton to three years probation including two weeks of confinement in the Barry County jail. The dates of that jail term will be arranged so that Mr. Norton can use vacation time from his current job in another state.

Judge Robinson ordered Mr. Norton to pay $3,033 in restitution, $2,500 in fines and $2,000 in court costs.

Mr. Norton pled no contest to uttering and publishing a check from Middleville Village on May 15, 1981. He had been charged with submitting false work records for a part-time police officer between July and November, 1979. The part-time officer was unaware of the scheme and had no involvement, but Mr. Norton was accused of receiving and subsequently cashing payroll checks based on those false work records.

The irregularities were detected by a Treasury Department audit of Middleville records and the charges against Mr. Norton were prosecuted by the Attorney General.

ROVING REPORTER

with

HAZEL McCAUL

My, how time flies, almost six months gone for 1981! Are you busy, too? I'm trying to do a little housecleaning, but work must not interfere with pleasures. This is what keeps us young.

June and Clare Tungate had dinner Friday at Belmont with his sister Charlotte at Sveden House.

Friday Dale and Mary Beth and boys from Grand Haven called on the folks, Clare and June. Doug stayed over and all met Sunday at Knapps for Fathers Day and Clare's birthday. Happy many more.

Izora and Mike Schnurr, Everett Sweegles of Lansing and I had a big birthday dinner with Milton Kermeen to help him celebrate his natal day, also Mildred, Donna and Anne. Big day and a beautiful cake made by granddaughter, Anne. Many more, Jigg.

Pat and Mary Reaser's baby Brian had his baptism Sunday, then Bernadine and Harry attended his dinner at her folks, Mr. and Mrs. Bob Wiersum and all the family at Kettle Lake.

Bernadine and Harry Reaser attended a Consumers picnic Saturday at Podunk Lake with is friends.

Loretta Clark and I attended the Augusta Barn Theatre Sunday. We saw "on Golden Pond". Try to see it, it is such a delightful play. John and I saw it in New York City but really enjoyed it again. We had dinner at Inmans at Galesburg.

John was to get his right leg prosthesis Friday. This will be a big experience, to get up and see what can be done. He has determination so I am sure he will be successful with his new venture. Pray that all will be well for him.

Our Strawberry Breakfast at Parmalee United Methodist was a huge success, thanks to all of you who attended. Did you get enought to eat? Do attend church with us some Sunday at 9:30 a.m.

Catherine Cisler had dinner with son Ken and family. Later they called on Bryan Stahl and saw the new baby, Becky.

LOIS BREMER and
JANETTE VAN RHEE

Ralph and Alberta Kenyon went up north to Muskellunge Lake near Trufant to visit with friends, Mr. and Mrs. William Gillis. They caught some nish fish and had a very good time visiting.

On Wednesday Leona Rock had lunch with the Earl Schippers for her birthday. The John VanderVeens were also there.

Don and Kay Link went out to eat Sunday, then went to an early birthday party for their granddaughter Michelle.

Visitors at the Ed Wieringas on Sunday were Al and Julie Cook of Grand Rapids. Many of their family also stopped over to visit their dad for Fathers Day.

Jim and Kathie Wheeler attended the open house at Bradford White on Saturday. On Sunday they went to a family reunion in Charlotte.

The John VanderVeen family took the car ferry across Lake Michigan to Wisconsin and then drove down to Chicago and came back that way.

Wendy Van Rhee had her four wisdom teeth pulled out on Thursday. She didn't feel too well the rest of that day, but by Friday she felt pretty much her old self. Friday night she and her sisters, Amy and Jodi, and Pam and Steve Lund, all went to a movie in Grand Rapids.

Sunday the Van Rhees went out to dinner for Fathers Day.

Sunday Roseann Steffes and Kurt Hopkins took Kurt's dad out for dinner to Sandy Point Restaurant in Holland.

Dick and Jean Ford went camping at Burd's camp in Yankee Springs over the week end with the riding club. They had a great time and celebrated Fathers Day there with the other trail riders.

Mary Maichele of Toledo spent from Friday until Monday with her mother, Florence Kaechele. Friday afternoon they drove to Lansing for a visit with Jack, Georgia and Steven Kaechele.

Tom, Brenda and Lindsay Bremer attended a family shower in Grand Rapids Sunday afternoon honoring Ted and Jamie Stone.

Ty and Casey Weatherford spent Friday with their grandparents, Virgil and Myrtle Adams. Saturday supper guests at the Adams were Jerry, Laura and Rachel Adams, and Sunday afternoon they went to granddaughter Gina's piano recital at the home of her teacher, Laurel Rock.

Weekend guests of the Fred Steiners were niece and family, Earl and Marie Northey and son Sam of Wisconsin. On Monday all went to Canadian Lakes and spent the night at the summer home of daughter Val and family, the Tim Estes. Steiners returned home Tuesday and their guests continued on their vacation.

John Bremer and Barb Owen were among those attending the wedding of Diana Willyard and Dale Scott on Saturday afternoon.

Clifford and Jennie Davis spent Fathers Day in Grand Rapids with their daughter Donna and family, Dr. and Mrs. R. Jack Chase.

The Phil Benders enjoyed spending last Tuesday at Cedar Point.

Tom and I attended the wedding of Gary Muller and Pat Oosterhof at Holy Family Church Saturday afternoon and the reception in the evening – a beautiful wedding and fun reception. In between we sandwiched a quick visit to Bradford-White's open house so I could try to imagine the miles he puts on each day (lots!) They really had a good turnout and allowed me to take home helium filled balloons for all of the grandkids (it was fun trying to put them in the car!).

All of the Wenger families, including Clara Tanner, Blanche Cridler and Cindy Yates, gathered with the home folks on Sunday evening to wish Bob a happy Fathers Day.

Joanne and Laura VanPutten spent last week, and some of the week before, at the Algonquin 4-H camp with the Camp-Fire Girls and Blue Birds. This week JoAnne is helping with the Girl Scout Day Camp at Harwood Lake. She also asked me to mention that she has a large box containing all of the items that Blue Birds and Campfire girls left at camp. Moms or daughters, call JoAnne for the things that have come up missing.

Mike, Kathy and Brett Bremer spent Saturday night in Muskegon and on Sunday Kathy co-hosted a baby shower honoring her friend, Susie Parsons.

Guests at our house for a Fathers Day potluck dinner were Ken and Vicky Bremer and family, her folks Warren and Lee Idema and brother Tom, Dave and Sue Enders and boys, his folks, Harold and Dorothy Enders, Dann, Francy and Jennifer Tobin, and Barb Owen. What a lot of good food - and a nice relaxing afternoon.

Coming up is the weekend we look forward to each year – our family reunion. There will be some sad moments as we remember that both Tom's mother and my sister were here with us last year, but they will be balanced by getting reacquainted with the ones who come from far away and the new ones who are added each year by marriage or by birth.

Howard and Leo Colburn went north to Burt Lake fishing Monday. Fish weren't biting very much. They returned Wednesday evening.

The spring breakfast at Parmalee church Wednesday turned out fine.

Friday Fern and I went with Francis and Doris over to Audrey (McNee) Piebenga for the afternoon. Had our lunch in Byron Center.

Fern, Charles and I went out to supper Saturday and got groceries.

Howard, June and I had Sunday lunch in Grand Rapids.

IN MEMORIAM

In memory of our brother, Shawn Harold Brice:
Since you left us two years ago
Our love and memories are still so very much alive
For nobody, or no thing can stop the love we have for you.

In loving memory of our son and brother, Shawn H. Brice, who left us suddenly June 26, 1979, two years ago:

Wild roses grow in a cluster
Some become old and wither,
Others are plucked early.
Tis a small matter - in the end -
Which ones last the longest.
What is important is which
Delivered the sweetest fragrance while they lived.

Bluegrass Music to Fill Park on Sunday

A day-long show of bluegrass, country and progressive country music is lined up for folks who "come out and breathe the fresh music" at Charlton Park's seventh annual Thornapple Music Festival, Sunday, June 28. The show takes place in the park's natural amphitheater, centered in the Historical Village of the late 1800s.

The music starts at 11 a.m. and is scheduled to continue until 4:30 p.m., beginning with "Home Grown Grass." At half-hour intervals, Iowa Rose 'n riff raff, Carol Johnson, Midwest, Bosom Buddies and Sweet Corn String Band will perform. A special feature will be the Eaton County Drain Cloggers who will dance for several songs.

Visitors to the festival are reminded that alcohol and controlled substance laws will be strictly enforced. No pets are admitted.

Charlton Park is located five miles east of Hastings, off M-79.
