Red Cross to Honor Workers

The Barry County Red Cross wishes to thank the many volunteers from Delton, Middleville, Nashville, Freeport and Hastings for the hours of unselfish time given to the Red Cross programs in the past.

Because of its volunteers, the Red Cross is able to carry on various programs such as water safety, first aid, CPR and the blood program. Volunteers make up 95% of the Red Cross staff nationwide. They are an invaluable asset.

With this in mind, the Barry County Red Cross is holding its first annual Volunteer Awards Dinner on September 21, 1981, 6:30 p.m. at the First United Methodist Church, 209 W. Green, Hastings. There will be a potluck meal and afterwards appreciation awards will be given to all those who have given so much to keep the Barry County Red Cross alive and well.

If you have been a volunteer in the past, or are presently doing volunteer work, and have not bee notified by mail about this dinner, please give Calinda Munson, the Director of the Red Cross, a call at 945-3122.

OLD-TIMEY WEATHER LORE

People frequently pride themselves as accurate weather predictors. And some folks, especially sailors, have been practicing this art, out of reach of radio and TV forecasters, for a very long time. Here are a few "quaint" weather sayings (many of which turned out to be true when put to the test by modern technology) that may help you plan your outings or your garden work in the future:

- If there's dew on the grass, there's a good day ahead. A dry morning means rain.
- Look for a trawler with a smokestack. If its smoke rises straight into the air, there will be good weather. If the smoky stream curls downward, a storm is brewing.
- Watch the local seabirds. If they're roosting, it's because thinning air (the sign of an imminent squall) is harder for them to fly in.
- "Red sky at morning, sailors take warning . . . red sky at night, sailors delight".
- A morning rainbow is a sign of rain.

Insects swarm and seem more annoying during the drop in pressure that precedes rain or a storm. Bees stay closer to their hives. Ants get unusually busy and scurry about, moving their eggs from place to place. Animals become restless, uneasy, and more active and noisy.

Conversely, when atmospheric pressure rises, fish become more active and swim nearer the surface (it's a good time to go angling). During the winter, the ice on frozen ponds and lakes will begin to crack and boom during periods of rising pressure. People seem happier and friendlier.

Birds fly higher during high pressure (fair sky) weather and lower prior to a storm.

The old saying that a halo around the moon or sun is a frequent portent of rain or snow is true. Such a circle is formed (actually, in our own eyes) when we look at some of the moon's or sun's rays as they're reflected through the frozen crystals of moisture in thin, high cirrostratus clouds. These clouds generally move 12 to 16 hours ahead of broad, moisture-laden warm fronts, which usually bathe wide tracts of land in slow, steady precipitation as they sweep across the continent.

To make a "never fail" weather barometer, old-timers in the upper Midwest find themselves a balsam fir tree. They cut from that tree a chunk of small branch, which has a 16- to 18-inch-long twig growing out of it.

"Trim and scrape the bark away from the whole assembly," one of the old backwoodsmen told us, "and drill a little hole in the top end of the short main section. Then tack the indicator to the wall of your garage or corncrib so that the long twig points up. It'll stay that way during fair weather . . . but, just before and during a storm, it'll point down."

CIDER MILL
(Continued from Page 1)

inspect the antiques on display in the main portion of the mill. A feature will be eight mirrors of the old Beckwith Barber Shop which display 16 decals of 1907 Hastings business places. Ironsides Monuments, Weissert Bros. Hardware Dealers and Furnace and Tin Works, Fuller & Co. Building Materials, Pierson & Sons Dept Store and Waldorff's Furniture and Undertaker, are among the businesses which paid a $5 charge for the advertising.

The mill, originally built about 1850 as a saw mill, was converted to a grist mill about 1864. The quality of its buckwheat flour was noted throughout western Michigan.

In 1902 a cider press was added and was used to the 1940's when the mill closed down. burdette Briggs sold the original press to Neil Engel and in the early days farmers wagons were lined up for the apple press. The press was capable of pressing 38 bushels of apples at one time, making 100 gallons of cider.

Refreshments of cider and donuts will be served by the refreshment committee, Eileen Oehler and Charlotte Heath, following the tour and stories of the mill and a short business meeting.

Because the tour is on private property and the invitation was made to the society, membership will be required for entrance. However, Ernie Appelman, Membership Chairman, has promised to sign up new members at the door. The society year is September through June and dues are $3. per year.

To the Editor:

I am writing on behalf of the Middleville Lions Club. We are presently sponsoring a Travelog as we did last year. This project barely broke even last year and one we are sponsoring now is in deep financial trouble. We need community support to keep this form of family oriented project alive.

The Middleville Lions Club over the years has returned back to the community of Middleville a good share of the money that our projects have earned. The following are some ways we put back money in the form of services in our community.

Contributions on the local level:
Glasses for adults and children in need. An average of $1,000 a year
Girl Scouts
Boy Scouts
Christmas parade and candy for children
Pre School
Christmas contributions to area churches to do with as they see fit
Jaws Of Life - Firemen's Association
Chaired the 4th of July celebration two of the four years
Backed the TK boosters Club
Bought and tore down the old mill. We have plans to make it a more attractive area.
Spring Park - started and deeded the park over to the Village of Middleville, We have plans to keep putting money into the park for improvement.

Contributions on the State level:
Welcome Home for the Blind
Leader dog school
Sightmobile
Statewide hearing
White Cane
Michigan Eye Bank

I am sure there are some I've missed.

The Travelog needs community support if we are to continue to offer this family service. Please support your Middleville Lions in making the above project a success.

If you have an interest in attending the Travelog you can contact Chuck Baughman 795-7373, Jim Verlinde, 795-3511 or Joe Sanford, 795-9207. The first Travelog is September 21 in the high school auditorium.

Yours in community service and Lionism.

Joe Sanford
President, Middleville Lions Club

MARY JACKSON – Ph. 795-9877

Members of the former Carley Guild of the United Methodist Church and their husbands met Saturday night for their annual reunion with Mr. and Mrs. Clair Brog, with Mrs. Lois Finkbeiner as co-hostess. Those from away who attended were Mrs. Maebelle VanWeelden from Florida, Mr. and Mrs. Elton Lawrence from Torch Lake, Mr. and Mrs. Mike Bender of Holland, Mr. and Mrs. Bob Frost from Lake Odessa, Mrs. Mary Ellen Hanson from Clarkston and many local to a count of 29. A great time was had by all.

On Sunday the Beogs, Lois Fink beiner and son Chuck held a neighborhood picnic of people along Gun Lake from Page's to Middleville Point.

Mrs. Eunice Brown spent most of the week with her mother Mrs. Rugh Crofoot in rural Wayland.

We probably have others from the area who walked the Mackinac bridge on Labor Day, but two more we heard of were Mrs. Carol Barnard and her father Mr. Ralph Moore of Hastings.

Mrs. Maebelle VanWeelden drove to Middleville from Bradenton, Florida, with a friend. They both attended the class reunion in Charlotte. She was in Michigan nearly two weeks, leaving for Schoolcraft to visit relatives enroute home. Her daughter Gaynell is in the antique business. Her son Paul and wife live in California. Paul's wife is vice president in charge of public relations for the Union Oil Company, making her one of the few women corporate officers in the oil industry.

Mrs. Lois Finkbeiner and son Chuck spend weekends at their cottage at Gun Lake and during the week have their insurance business in Jackson.

Several area schools closed Monday or opened late because of the dense fog in the area. Our policemen were busy Monday morning because of the fog and so many driving without lights.

The Youth Fellowships started again at the United Methodist Church with the Rev. and Mrs. Bradley Kalajainen of Freeport taking charge. Pre high school young people meet at 6:00 p.m. at the church and the senior high group meet at 7:30. This past Sunday the group were guests of Mr. and Mrs. Duane Thatcher, but normally meet at church.

Mr. and Mrs. Russell Bender and Mr. and Mrs. Walter Bender enjoyed the tour through Clark Memorial Home Sunday and of course had a visit with Ardis Lutz. It was visiting day for the Grand Rapids District from 3 - 5 p.m.

Mr. and Mrs. Mike Bender were Sunday guests of Mr. and Mrs. Charles Williams at their trailer at Sharp Park.

Mr. Philip Nichols and Mrs. Eltha Nichols attended the Charlotte Homecoming Saturday.

Mr. and Mrs. Kenneth Hirons (the former Terri Getty) are nicely settled in their new apartment in Caledonia.

Mr. and Mrs. Carl Nelson attended the Vaughn reunion at Hale Sunday. Her sister, Mrs. Peter King of Naubinway returned home with them for a visit.

Tuesday afternoon was the Octogenarian party at the United Methodist Church where people 80 and over are guests and receive a flower for a remembrance. The noon dinner included the after Sixty group also and was prepared and served by the United Methodist Women. A fine program followed.

Dr. and Mrs. Melvin Noah enjoyed a weekend at their cottage at Brethern.

Randy Noah has the cast off his knee and is in the process of therapy. He and three Middleville boys will room in an apartment at MSU this fall.

The Bowerman reunion was held Sunday at the Irving Grange Hall with 70 attending from Detroit, Yale, Central Lake, Seattle, Washington and local. The brothers and sisters all sat at one table and they honored Mrs. Gladys Carter's birthday with cake, cards and gifts. An outstanding gift was a wristwatch which was a real surprise to her.

Several local ladies were on the Donahue show last week. Ann Mays, Char McKee, Jennifer Sprague, Char Pranger, Jane Jeltes and Marilyn Page sent for tickets two years ago and attended two weeks ago. The program was aired last Thursday.

The annual canoe trip of cousins was held on Sunday when Mr. and Mrs. Jack Finkbeiner, Mr. and Mrs. Ken Mingerink, Mr. and Mrs. Jim Robertson Jr. and family, Mr. and Mrs. Jim Smalley and family started from Hooper and went down the Gun River to the Smalleys at Plainwell, then had a hot dog roast there.

Some of our citizens are coaching soccer teams with about 100 children involved in different age groups. Games are played on Saturday. Mr. and Mrs. Fred Polhemus coach a team of 7 and 8 year olds who compete against teams their own age.

Mr. and Mrs. Howard Greiner and Mr. and Mrs. Fred Polhemus and children enjoyed the activities at Charlton Park Sunday afternoon.

Miss Thelma Carl was a guest of Mrs. Iyla Bowen to their senior citizen trip to Greenfield Village Tuesday.

Last Friday night Miss Thelma Carl was a guest of her nephew and family, Mr. and Mrs. Calvin Carl and attended the Godwin Heights football game and saw her grandniece perform as a pom pom girl.

Mrs. Iyla Norton, local and Mrs. Arvis Northrop and son Arvid of Kalamazoo enjoyed attending Roaring 20's Friday evening.

Tuesday Mrs. Barbara Clinton and daughter Annette accompanied Mrs. Iyla Norton to Ionia to see Mr. Frank Reiss, daughters and husbands, Mr. and Mrs. Carroll Drake and Mr. and Mrs. Dale Drake. Enroute home they ate at the Golden Dragon.

Mrs. Jeanette Michele is at her home on East Main Street after being away three years living at her brother's home near Muskegon. Mrs. Beulah Oliver is staying with her.

Mr. and Mrs. Oscar Finkbeiner have sold their house at the corner of State and Russell to Tom Coleman and Luana Hale, who will be married this weekend.

110 Walk 108th St. Bridge

The second annual Thornapple Bridge walk took place again on Labor Day. This event came about when a few people who did not care to drive to Mackinaw City to walk across a bridge decided to have their own bridge walk.

Everyone met at the recreation building at the Indian Valley Campground and proceeded from there. The participants were informed that they would not be bused to the other side to walk back. They walked in both directions which took them into two counties – across the bridge in Kent County and back in Barry.

When the walkers arrived back at the entrance to the campgrounds, each was presented with a certificate verifying that he had successfully completed the Second Annual Thornapple Bridge Walk. Upon arriving back at the recreation building, the walkers were served refreshments. Coffee was furnished by the Smiths, the new owners of the campground, and donuts were furnished by Al and Jo Banas. These goodies were served by members of the All-Ways Home Camping Club.

Last year, on a cold rainy day, there were 51 people and two dogs who made the walk. This year, 110 people, two dogs and one cat participated. This will be an annual event for the Indian Valley campers. It is entertaining, two miles of good exercise, and a lot of "foolish fun."

Delton Sweet Adelines Are Nine Years Old

The Delton Chapter of Sweet Adelines, Inc., is proud to announce that they are celebrating their 9th birthday as part of the Sweet Adelines International organization on September 13, 1981. The International organization has over 32,000 women who sing four-part harmony barbershop style.

The Delton Chapter of 47 members has been busy this summer singing at Richland's 4th of July celebration, Delton's Founders Weekend and the Hastings Summer Fest. Eighteen chorus members attended a 3-day educational session at Calvin College in Grand Rapids. Their director, Pat Williams, attended an International Directors Seminar, "Directors Make Things Happen," in Tulsa, Okla. The Chapter is now putting the final touches on their 7th annual show, "Don't Touch that Dial" which will be presented Saturday, October 10, 8 p.m. and Sunday, October 11, 2:30 p.m. at the Delton High School. Watch for further information.

Josephine Dutcher entertained with a birthday party for her sister, Gladys Claugherty of Lansing. There was a birthday cake and gifts.

John and Jo visited me Friday morning. They had guests Thursday evening, Jo and Mary Carlson. John is gaining well and feels stronger.

Frank has moved his stock to the store across the street. He has many desirable items and his quarters got too small. Pat is feeling a lot better about her arthritis. At least, she still works for the Freeport paper.

Caledonia Chapter had its first meeting after the summer vacation. It seemed so good for friends to greet their sisters and brothers.

Elvis and Mike took me out on Saturday – a nice surprise.

Bertha Sheehan went to be with Phyllis and Everett Keitzman for the weekend.

Frank and Pat stopped sunday afternoon on their way home from Grand Rapids.

Bertha Sheehan is again with Elvis and Mike.

What a dense fog this morning!

PRAIRIE SKETCHES

with

LOIS BREMER and JANETTE VAN RHEE

I didn't think the shorter school day would affect Prairie Sketches but with first lunch our at 10:30 (ouch!), the cooks have to be on duty somewhat earlier than before. My co-caller, Janette, hasn't been able to re-schedule her calling time yet so we're kind of high and dry.

Anyone out there want to give it a try?

The Bob Wengers attended a family reunion Saturday at the home of Gary and Sharon Jonkers north of Grand Rapids. From there they called on Doug and Mary Newman and said hello to baby Matthew, then went up to Baldwin to spend the night with Bil and Oretta Warner. Sounds like a busy-fun time.

Florence Kaechele was pleased to have her granddaughter and husband, Gary and Andrea Levitt of St. Clair, call on her Sunday afternoon.

Sunday night callers at the Clifford Davis home were Mr. and Mrs. Jack Waller and three children and Mr. and Mrs. Earl Willyard of Grand Rapids.

Tom and I went to a foremen's picnic Saturday afternoon south of Hastings - and I took advantage of the proximity to Charlton Park and went to the Folk Life Festival for an hour. That's just a taste, so went back again on Sunday. "One of these years . . . " some how, some way, I am going to be a part of that. It is most fascinating to me.

Paula Walters and her mom Rose Karpinski, were at the folk life festival with their crafts.

Most of the people I was able to get hold of this week were playing the game of 'how else can I can tomatoes? besides juice, stewed, chili sauce, catsup, spaghetti sauce . . .?' They don't want to give up!

Norma Veldeman will be calling you for news next week while Tom and I take a week off, leaving John to hold down the home front.

Junior Varsity Wins, 14-12

by Jim T. Verlinde

Middleville's Junior Varsity football team, coached by Gary McKee and Skip Pranger, played excellent all-around football last Thursday night, beating the Delton Panthers 14-12 in the season opener.

The Trojans were the first to strike, scoring in the first quarter on a quarterback sneak by Chris Wingeier to cap off a 55-yard drive. A pass attempt for the extra points was incomplete. Middleville led at halftime by a score of 6-0.

In the closing minutes of the third quarter, the Trojans ended a 45-yard drive with a 1 yard run for paydirt by Scott Kaminski. A completed pass from Wingeier to Terry Sensiba for the extra points lifted the Middleville lead to 14-0 going into the final stanza.

Delton threatened, scoring on two long touchdown passes in the last quarter. The Panthers, however, failed on both extra-point attempts and conceded the victory to the Trojans.

Middleville's offense amassed a total of 414 yards, 155 of which came on a well-executed aerial attack. Chris Wingeier's favorite target was Tim Heffner, who had seven catches for 127 yards. Scott Kaminski was the top ground gainer of the night with 127 yards.

The defense contributed by holding the opposition to only 45 yards rushing. Defensive standouts were noseman Jim Gonzales with nine tackles, linebacker Adam Wegner with seven tackles and Randy Winchester at End.

Middleville's freshmen lost their first game which preceded the JV matchup. The rookie Trojans were defeated by a tough 55-member Catholic Central team, 20-0.

Tonight the TK Junior Varsity will travel to Byron Center for their first conference game. The Freshmen will play at Otsego.

Fumbles Costly as Trojans Drop Opener to Delton

by Jim T. Verlinde

Middleville's Varsity football team opened its season last Friday, bowing to the Delton Panthers 16-6. Turnovers proved to be a major factor, forcing the Trojan defense to play the majority of the game.

The second quarter proved to be the decisive period after a scoreless first. Delton drove 38 yards and scored on a 17-yard run by Craig Pennock. A PAT kick through the uprights made the score 7-0. The Panthers scored again with a 16-yard field goal off the foot of Ken Francisco. The spiritless Trojans gained only four yards in the second quarter and allowed Delton 71 rushing yards.

The third quarter showed no additions to the score, but both teams produced in the fourth. The Panthers scored first, ending a 41-yard drive with a 1-yard touchdown carry by Rusty Carroll. Middleville refused to give up and answered with a 4-yard run into the endzone by Clyde Lewis, but the Trojan rally was too late and the game ended 16-6.

Delton's Craig Pennock and Rusty Carroll rushed for 168 of the Panthers' 198 offensive yards. Middleville's defense sparkled, however, and held kicker-quarterback Ken Francisco to one completion in seven attempts. Defensive halfback Dave Sensiba intercepted an errant Delton pass. Defensive standouts were linemen Todd Sloan, end John Lyons and linebacker Harvey LaPierre.

Middleville's offense produced 143 total yards, 87 of which came in the final quarter. Mike Browne rushed 54 yards on ten carries but fumbled for turnovers three times. Clyde Lewis handled the ball 11 times for 39 yards. Quarterback Steve Scott completed five of 15 pass attempts and had three interceptions.

Tomorrow the Trojans will meet the Byron Center Bulldogs at home for Parents' Night. Come to the stadium early to meet the players' parents and to enjoy some good hard Trojan football.

Comments from TK's Head Coach
RAY PAGE

The season opened on a sad note for us, as we suffered a defeat at the hands of Delton.

We just made too many opening game mistakes to win.

Our defense did an excellent job, but it is extremely hard to hold a team from scoring when you turn the ball over to them 7 times.

On offense, we had trouble moving the ball and never seemed to be able to get on track. In the last quarter our offensive line finally seemed to wake up and start firing out, but it was a little too late. I felt we played a very physical game and I'm sure Delton has a few bumps and bruises to remember us by.

On defense, John Lyons, Todd Sloan, Harvey LaPierre and Mike Dugan had good games. Delton has a fine running back in Craig Pennock, who gained over 1000 yards last year for the Panthers.

Delton was big, and Byron Center, this week's foe, will be just as large. Byron Center was the only team in our conference to win last week, as they beat Fennville 44-0.

I thought we had a great crowd at Delton. Hope you can make it to the home opener Friday night. This will be our Annual Parents Night game. Don't give up on us, we're going to play some good football!

Vandenberg Places First Among 140

The Trojan Cross Country team opened the 1981 season Wednesday, September 9 at the Mattawan Invitational.

This season the Trojans will be competing in the following invitationals: Forest Hills Northern (Sept. 19), Fennville, Sept. 26), Lowell (Oct 5) and the Middleville Invitational at Yankee Springs Golf Course on September 16. League meets will be held at Douglas Walker Park near Byron Center.

At Mattawan, Bob Vandenberg finished first with a 15:51 clocking over the 5000 meter course. 140 runners, from 24 schools, were involved in the run. Regie Raab ended 44th, Paul French 123rd and Larry Barton 138th.

In the girls run, which included A and B Schools, Sandy Irwin finished 15th. 65 girls competed in this run. Amy Steeby was 45th and Sally Veach 60th.

Kalamazoo Christian finished first in the C-D division. Stockbridge was second and Concord third.

Girl's Basketball

VARSITY LOSES BY ONE POINT

The Trojan Girls Varsity basketball team lost a very tough game against Lowell last Tuesday by the score of 46-47.

Boy's Golf

TROJANS ON SHORT END

The Middleville golf team had their first match of the year on Monday, September 8. The Trojans traveled to Lakewood's home course at Centennial Acres to battle the Vikings and the Maple Valley Lions.

Jeff Chapman and Tom Will led the Trojans with 46's. Dal Buxton shot a 47 and Rolfe Timmerman a 49 as Middleville had a 188 total. Lakewood shot one less than their school record with a 164 total as Tom Eckstrom and Darin MacDonald had 37's. Middleville came up six shots short of beating Maple Valley as the Lions had a total score of 182.

The Trojans entertain Belding at the Yankee Springs Golf Course and travel to Lee in this week's action.

Turnovers Stop the Scots

The Fighting Scots of Caledonia opened their season with a 6-0 loss to the Wayland Wildcats. Caledonia had problems holding on to the football as they lost 5 fumbles and had 3 passes intercepted. The fumble that really hurt the Fighting Scots was on their own 4 yard line. Wayland scored its only touchdown 2 plays later. Caledonia was inside Wayland's 20 yard line three times, once with a first and goal inside the 10, but fumbled away opportunities all three times.

Caledonia's defense led by Fred Zylstra, Paul Stuefen, Mark Batchelor and Dave Harmsen held the Wildcat offense in check all night long. Wayland attempted 10 passes completed none and two were picked off by Mike Mitchell of Caledonia. Caledonia's punting game looked good as Rob Koehl punted 4 times for an average of 39.8 yards.

The Fighting Scots offense could only pick up 63 yards in 32 attempts in the rushing column. These yards were equally divided between Kevin Kelly and Rob Koehl. In the passing department, Doug Wilson attempted 17 passes, completed 6 for 71 yards and had 2 picked off by the Wildcat secondary. Mike Mitchell and Brad Harrison were Caledonia's leading receivers with 4 and 2 respectively.

This week Caledonia will face on of the pre-season favorites in the OK Blue, Kellogsville, who lost last week to a very tough Coopersville team. Caledonia's main task this week is to get their offense going.

Runners Split Double Dual

The Caledonia Fighting Scot Cross Country team put forth another strong team effort as they slipped by the Ionia Vikings 28-30 and were narrowly defeated by the Lowell Red Arrows by the score of 29-30 in a double dual meet on Wednesday, Sept. 9 at Caledonia Lakeside Park.

In the Lowell meet, the Red Arrow runners captured first, second and third to automatically win the meet, but the Scots showed excellent team depth by taking the next 13 places in the race with Dave Rackow, Todd Taylor, Tim Holliday, Mike Timmers, Scott Cherpes, Mark Ladiousier and Rob Durkee all having good times.

In the Scots' 28-30 victory over Ionia, the man factor was definitely team depth again as Ionia's 4th man was pushed back to 10th place and their 5th man finished a distant 18th.

CHS Golfers 1-1 in Week Openers

The Caledonia Fighting Scot golf team started competition for 1981 last week by losing one and winning one.

On Tuesday Caledonia couldn't overcome the first match nerves and lost to Wyoming Park 5-0. Sophomores Mike Poll and Mike Wilson managed 43 each to lead Caledonia. Bret Bonzheim and Lance Scheidel added 45 and 46.

Thursday Caledonia took on a strong Hastings team and won 4-1. Lance Scheidel was medalist with 39. Mike Poll and Patterson added 42 each with Mike Wilson and Steve Simpson at 44.

This week Caledonia opens league competition.

Library Board Has Opening

The Board of Caledonia Community Library has an opening for a member. Candidates who are interested should be residents of the Caledonia area. Terms of office are four years. Anyone interested should contact Nancy Giar, Township Clerk. All appointments are made by the Caledonia Village and Township Boards.

The Board will be holding an Open House for the new library on Sunday, October 25, from 2 - 5 p.m. Everyone is invited.

Place Second in State

CALEDONIA'S FAMILY TAVERN fast pitch softball team had quite a summer of ball, capping it off over the Labor Day weekend by placing second in the State Class C tournament held in Coldwater. Sparetime Lanes from Cheboygan shut out the Tavern Squad 2-0 to take the championship. Eleven teams participated in the State tourney, representing 8 regions throughout Michigan. Family Tavern advanced to the State playoff by virtue of winning the District in Grand Rapids and the Regional in Muskegon. Next year the team will automatically play in the Class B State finals. Shown above, front row, from left, are Larry VanHaitsma, Charlie Hodges, Neil VanderVelde, Bill VanderVelde, Kent Marsh and Tom McKee. Back row: Bill VanderHaar, Rod Dewey, Steve Jahnke, Joe VanHaitsma, Ken Ritz, John MacEldowney and Tom Garbow. Congratulations on an outstanding season.

Monte Munjoy

Monte Seeks Tackle Slot At Ferris

Monte Munjoy, a 1981 graduate of Thornapple Kellogg High School, will be joining Coach Nick Coso's 1981 Ferris State College football team. The 6 foot 4 265 pounder will be vying for an offensive tackle position when the season gets underway at home, September 26, against Michigan Tech. The Bulldogs will be out to improve on last year's 4-4-2 record and fifth place finish in the Great Lakes Conference.

Monjoy was a high school All-American on the gridiron as a two-way tackle for Coach Bob White's Fighting Trojans. Munjoy led Thornapple Kellogg to a 10-1 record and the OK Blue Conference title last fall before the team bowed out in the state Class C semi finals.

Munjoy, a versatile athlete, also lettered four times in track and twice in basketball during his prep career. He was a three time all conference track selection in the shot put and discus events. On the basketball floor, Munjoy averaged 10 points and 11 rebounds per game his senior year.

COUNSELOR CORNER

By Bernie Weller, Middle School Counselor

School phones 795-3349 or 795-3340

As the Middle School Guidance Counselor, I may at one time or another be talking to your son or daughter. This does not mean that serious problems exist. All adolescents, like all people, have problems. Some problems or situations that come up in counseling are:

Relationships with teachers
Poor Grades
Organizational skills
Study habits
Running away
Interest in the opposite sex
Fighting
Handling peer pressure
Low self-concept
Negative attitude
Problems with alcohol, cigarettes, marijuana and/or other drugs
Home conflicts with parents and/or brothers or sisters
Adjusting to growing up
Learing how to make decisions
Test score results
Crisis intervention (emergencies)
Vocational and career advice
How to get along with others
Orientation to high school

It is my goal every year to see and get to know every Middle School student. I would also like to know as many parents as possible. The best time to reach me at the Middle School is from 7:30 a.m. to 8:30 a.m. I can be reached any time during the school day. You may call my home at 945-3803 if you feel the need to do so arises.

If you are worried about your youngster's progress in school, we can set up, through my office, a weekly reporting sheet. You can call my offiee for further details.

Parents are welcome to review their student's test results. You will be notified when the results are back. Sixth and eighth graders take the SRA Achievement Test while the seventh graders take the Michigan Assessment Test.

Look for Counselor Corner on a weekly basis in the Middleville Sun and News and The Freeport Press.

I like meeting parents. If you come to parent-teacher conferences stop by and see me. I'm at Middleville to serve the public, so feel free to contact me any time with your needs and concerns.

Thornapple Township
Official Minutes

The regular meeting of the Thornapple Township Board was held September 14, 1981.

Supervisor Boysen called the meeting to order at 7:00 p.m

Present: Boysen, Getty, McKeown, Kenyon. Absent: Rock.

Others present: Assessor Squier, Fire Chief Kenyon.

The minutes of the last meeting were read and approved as read. Getty moved printed bills in the amount of $28,032.01 be allowed and transfers made for same. Motion supported by McKeown. Yeas, all. Motion carried.

Farmland Agreement Application in the name of Walter and Lois Bender was reviewed. McKeown moved the Board recommend approval of this application, supported by Getty. Yeas, all. Motion carried.

Following discussion it was agreed not to renew the CES Maintenance Agreement.

The clerk reported on the status of the Lighting District. The Supervisor will review the contract.

Getty reported on his inspection of the metal building at Mt. Hope Cemetery and recommended, to prevent further erosion around the West side of the foundation, that fill dirt and sod or seeding be done this fall with guttering installed in the spring.

It was decided to commence revising the cemetery records at this time and proceed as the budget allows.

Following discussion Kenyon moved that the Board levy .5 mill for fire protection for the year 1981, supported by McKeown. Yeas, all. Motion carried.

The following resolution was introduced by Supervisor Boysen, read in full and considered:

RESOLUTION

WHEREAS: Section 4 of the Compiled Laws of Michigan 211.44, MSA 7.87, as amended, allows the Township Board to waive all or part of collection fees paid on taxes prior to March 1st and

WHEREAS: Thornapple Township has adequate funds without said collection fees,

NOW THEREFORE BE IT RESOLVED that the Board of Thornapple Township waives all collection fees for the period prior to February 15th and for the period after February 14th but before March 1st.

McKeown moved the foregoing resolution be adopted as introduced and read; motion supported by Getty. Yeas, all. Motion carried and resolution declared adopted.

Getty moved the meeting be adjourned. Supported by McKeown. Yeas, all. Motion carried.

IN MEMORIAM

In memory of Duane Osbun who left us September 22, 1979:

When our family comes together
There is one we fail to see,
A smile, a tear, a thought sincere
So often Dad seems so near.
He left us wonderful memories
And his memory will never grow old.
He was always true, unselfish and kind,
He died as he lived, everyone's friend.
God knew that he was suffering,
The hills were hard to climb,
So he gently closed his eyes
And whispered "Peace be Thine."
